Dear PostCaravaner's:

It's been over a year and a half since I sent the last Post Caravan letter. Gerry and I have been well and we hope you all have been well and enjoying life also. As we traveled around the last year we have met several of you along our way. Some of you we have not seen since our wonderful trip to Alaska.

Currently we are planning a reunion this coming fall in Vermont and we hope all of you can once again join us on an adventure. Please let us know if you are interested in attending the event by returning the enclosed postcard. Also, we would like your ideas on the planning of the event. Currently we have the following ideas for events:

October 5<sup>th</sup> Welcome barbeque on Two Barns deck followed by evening event  
(Friday) (might want to switch to church super)

October 6<sup>th</sup> Breakfast at quaint Vermont bakery in Jeffersonville  
(Saturday) Bike or Walk on Jeffersonville exercise path  
Antique and collectibles search traveling around region  
Evening dinner in Burlington followed by  
"Green Mountain Steppers" club dance called by Chuck and Gerry

October 7<sup>th</sup> Morning breakfast on Underhill Two Barns Deck  
(Sunday) Optional Church services  
Day touring Burlington with hiking (biking) on path along Lake Champlain  
Lunch at quaint Burlington restaurant  
Pot Luck Dinner followed by night of games at Two Barns

October 8<sup>th</sup> Morning breakfast on Underhill Two Barns Deck  
(Monday) Hiking, biking or canoe adventures taking picnic lunch

Plan to camp right on the Two Barns property as we have enough water and electric for all of you. Also, we have a dump station on the property along with two bathrooms in the house. Our view of Mt. Mansfield is superb and the colors will be surrounding us.

*Sincerely ,  
Chuck & Gerry Hardy*
